With the perfect fusion of the two wings of the Democracy of New York, the election in the Empire loses all interest to outsiders. New York is now To the Republicans of Iron County! as asfe as Missonri.

The Hancock boom is one that doesn't burst. This is a fact that the Republican office-holders have at a delegate to the State Convention; and also length discovered, and they are scared to put in the field a Republican County Ticket out of their wits. The ides of Novem- for the coming election. A full attendance is respectfully desped. The Republican Townber will give them no consolation. ship Committy This is another fact that will be patent for organization to them in due time.

The Rephblicans have been laying the foundation for a year past to wrest Indiana from the Democracy. Negro yoters to the number of three or four fall diseases arising from nisordered Liver. By thousand were colonized during the fall and spring just past, and now the State is being swarmed with speakers, and druggist for them. Price \$1 00 per bottle. flooded with money extorted from the Federal office-holders. But it will do them no good. October will settle their hash much more effectually than it did four years ago. Then we elected our men. This year we will elect them and seat them, too.

A Plea for a Teachers' Institute.

DES ARC, Sept. 3, 1880.

Ed. Registerare holding teachers' institutes, and there has been no call for such a pur-court of Iron county, Missouri, in vacation, pose in Iron county, I suggest that the that publication be made notifying said defendants aforesaid that an action has been commissioner of public schools of this commenced against them in the circuit court county arrange a programme and call of said county, the or ject and general nature the teachers together.

am sure we will be none the worse for to said defendants, to wit:

having met with each other. I've taught two terms of school in the southeast quarter and the south half of this county, and I'm not acquainted with a teacher in the county. There are two or three teachers in the county tax bill showing the amounts of taxes now due each of whom I've seen once, but that amounting in the aggregate to the sum of is not the kind of an acquaintance that \$.7.21 is filed with said petition as provided I like to have existing between me and the county in the county in the county of the c which I am teaching.

ences to our public schools is a lack of system. It is practical suicide to undertake to run an institution of equal cordance with the prayer of said petition and magnitude to our public school system said real estate, or so much thereof as may be without having some laws of a general character by which the teachers of the different parts of the county may

There is not a teacher in Iron county knows how I teach arithmetic. I can not claim that there is a teacher in the county with whose way of teaching grammar I am familiar.

What can we, as teachers, expect to accomplish under such an administra-

We are changing from one place to another almost yearly.

We spend fully half of the school term in doing what our predecessor did and then we, perhaps, implant no better ideas than was inculcated by him.

next year Mr. B. comes along and takes the same school for the same term. Mr. B. spends two months of the term in B. spends two months of the term in action has been commenced against them in doing what Mr. A. did. Now the the circuit court of said county, the object and school stands just where Mr. A. found it and only two months left for Mr. B. to raise the standard of the school, and he will use these two months in teaching according to his peculiar ideas and perhaps no better than those he has spent half of the school term uproot-

The third year Mr. C. comes along. He conducts matters as Mr. B. did- by law) And unless they be and appear a taking half of the term unravelling the next term of said court, to be holden for the what his predecessors taught; at the middle of the third term the school day in October next (1880), and on or before the sixth day the reof (if the term shall solong stands where Mr. A. found it. In like manner this method works its way on the term) and plead, answer or demur to said plaintiff's petition, the same will be taken as emfessed, judgment rendered in accordance term, the school is just where Mr. A with the prayer of said petition and said real took it. This kind of work is what we sary to satisfy said judgment, interest and call our public school system. We costs, be sold under a special fieri facias to be have public schools, but we have no public school system.

The system upon which the business of the Iron Mountain R. R. is based is not as extensive as that of our public schools, yet it is so perfect that an agen. from one station can go to an other sept2n7 and go right to work where the other left off. It is true there might be more or less business at the one than at the other, but it is done precisely on the same plan, so perfect is the system.

I believe that the State superintendent should adopt some method of teaching, and the counties be allowed the privilege of electing a superintendent privilege of electing a superintendent by Mo., and the his petition and affidavit, set the defendance of the superintendent ting forth among other things, that the defendance of the superintendent ting forth among other things, that the defendance of the superintendent ting forth among other things, are non-residents of the State of the superintendent ting forth among other things. of public schools and pay him a salary. Let this county superintendent take Missouri and cannot be summoned in this acidon by the ordinary process of law; it is the methods adopted by State superintendent and go all over the county and introduce them in the schools, and then in my opinion we would have a public school system.

The way public schools are conducted now I don't wonder at the tax-payer for grumbling. He is compelled to invest money at a large per cent. dis-

The average teacher thinks it strange that some individuals complain about school tax. I don't blame them. If we will go to work and build up the schools like they ought to be, this complaint about heavy school tax would be a thing of the past.

of the majority of the teachers of the county, we can not adopt it just now, but do let us have an institute in which we can all meet, get acquainted and exchange views, in regard to the best methods of conducting our work.

Respectfully, J. W. RAGLAND.

You are heraby requested to assemble in Mass Meeting at the Courthouse, in Ironton,
